

## **Powder Creek Shooting Park Group/Corporate Outings 2017**

Let me begin by saying thank you on behalf of the Powder Creek staff and Board of Directors for choosing Powder Creek to host your event. We are very happy to be here and available for you and your group throughout the entire process of planning your event with Powder Creek. Attached you will find an outline of what will be included with your event as well as what is available for your use while on premises. I will also include suggestions of items you may want to bring or provide to your shooters. I have also attached a copy of our current safety waiver form, which is required for every individual who will be shooting, as well as a copy of our rules and regulations. If you have any questions, comments, or concerns please feel free to contact me at any time via phone or email. Thank you and we are excited to have your group join us for a one of a kind experience. See you on the course!

### **Sporting Course Red/Blue course layout**

The Sporting clay course is designated by “red” and “blue”. The blue course is considered the “Standard” course and the red course is our “Advanced.” At each shooting stand the course color will be marked with a red or blue number on the left side of the stand. The course will be laid out 1-12 with the colors mixed so look at each station stand color before you shoot.
